

## Term 4 Theme

# Following Jesus

Not everyone who calls out to me, 'Lord! Lord!' will enter the Kingdom of Heaven. Only those who actually do the will of my Father in heaven will enter.  
Matthew 7:21 (NLT)

### November 16—Term Four, Week Five

Kia ora koutou

What a fabulous start to the week with the sunshine and warmer temperatures. It feels as though summer is well on the way. It also reminds us that the school year is fast coming to an end.

We were incredibly blessed last week to have our Wellington region pastors share with us for Week of Worship. The theme was discipleship and following Jesus. Our children were reminded that this means sharing God's love with those around us.

A huge thank you to all of our parents for having their children picked up so promptly from the pool. A special thank you to those junior parents who are helping their children change and picking up early. It is greatly appreciated!

Attendance continues to be an issue. The Ministry has asked us to share these key messages with our community.

- If students have one week off every term, over ten years they will miss a year of school.
- Being at school everyday matters because of the sequential nature of learning, especially in literacy and numeracy.
- By law, students **must** attend school and
- One of the highest predictors of education success is attendance levels at school.

As I look through our attendance data this year, I see a correlation between academic success and regular attendance. We look forward to fewer disruptions and improved attendance in 2023.

Have a blessed week!
