

# O2. Curriculum Delivery Policy

## Outcome statement

Curriculum delivery ensures that the special Seventh-day Adventist character of the school is preserved, reflects charter/strategic plan aims and meets legislative requirements.

## Scoping

The Board's primary objective is to ensure that every student at the school is able to attain his or her highest possible standard in educational achievement.

## Delegations

As the professional leader of the school, the Principal is responsible for fostering quality teaching and learning outcomes within the context of the special Seventh-day Adventist character of the school.

## Expectations and limitations

The Principal must ensure:

- an annual plan is developed setting out how progress will be made towards the achievement of charter/strategic aims and targets and is approved by the Board
- the school curriculum is based on the vision, values, principles and key competencies of the New Zealand Curriculum (or Te Marautanga o Aotearoa)
- school programmes provide students in years 1–8 with opportunities to learn in all areas of the national curriculum
- there is a focus on the national priority groups of Māori, Pasifika and students with special learning needs in school planning and reporting\*
- assessment practices enable the engagement, progress and achievement of students to be monitored and reported
- Board approval is sought before changes to the school curriculum requiring increased expenditure or significant changes to programmes or staffing are made.
